Col. Marshall of the Medina Oil  
Co. says that the Taylor No. 1 well  
pumped an average of 150 barrels  
daily fro the first sixteen days and  
is still keeping up the production.  
By comparison the No. 2 is a disap-  
pointing, but it is producing fifteen  
barrels.

Mr. and Mrs. H. E. Medlin have  
moved from the Hyo Schweers resi-  
dence to one of the Henderson cot-  
tages near the school house and Mr.  
and Mrs. Frank Schweers have moved  
from their home into the house  
vacated by Mr. Medlin. Mr. Schweers  
has sold his home to Mr. Bloom-  
quist of the Medina Oil Company.

Hondo was thrown into a furore  
of excitement Tuesday afternoon ab-  
out six o'clock by the blowing of  
the fire whistle right at the time  
when a dry northwest wind was  
blowing a gale. The chimney flue  
in the home of R. E. Bohmfalk in  
the south part of town caught fire  
and burned out, but the prompt as-  
sistance of neighbors and the arrival  
on the scene of the Hondo Volunteer  
Fire Boys prevented the spread of  
the flames and, in view of the high  
wind blowing at the time, possibly  
saved our little city from a serious  
conflagration.

Henry Carle, the eldest son of  
Mr. and Mrs. John Carle of Bader  
Settlement, was a pleasant caller at  
this office Wednesday. Mr. Carle  
has recently composed a song and  
set it to piano music which those  
who have heard it pronounce a very  
creditable composition. The Anvil  
Herald congratulates the young man  
upon his effort and hopes that it may  
prove all the success he could wish  
for.

Only  
a Buick Could Stand this Test!

Buick has the only chassis built today that can take a  
"shower bath" while the engine is running and driving  
the wheels.

Only Buick provides the design which can undergo such  
punishment. Of all cars built today, Buick alone has the  
complete protection of the "Sealed Chassis" and "Triple-  
Sealed Engine."

Every Buick operating part is "sealed" inside a dirt-tight,  
oil-tight, water-tight iron or steel housing. The "Triple Seal"  
(air cleaner, gasoline filter, oil-filter) keeps dirt, grit and  
moisture out of the engine.

Road slush and grit cannot reach Buick vital parts. Rain  
and moisture cannot cause short circuits in the Buick elec-  
trical system. Even the spark plugs are protected!

Come in and see, with your own eyes, why Buick motor  
cars are more dependable. Only a Buick could stand the  
"shower bath" test!

Hondo is getting to be too metropolitan for a one-man newspaper to keep up with all that is going on. Last Tuesday night that part of the editor that is interested in lodge work had to pass up attendance at the regular Royal Arch Chapter meeting while that part that is interested in civic affairs went out to attend a Chamber of Commerce meeting and try to help promote civic betterment in this community. In the meantime, his political personality had to pass up a desire to hear Dr. Webb's prohibition lecture at the Baptist Church and get the latest slant on the liquor problem from the dry's standpoint; his big wrestling match at the Richter & Schweers Feed store, and his theatrical personality had to be satisfied with a second hand recital of the Colonial's big feature play, "Way Down East." As a consequence of inability to cover all he succeeded in accomplishing nothing—save spoiling utterly that which is dearer to the heart of a man past fifty than any thing else, a nice quiet evening by his fireside in the calm companionship of those he loves! Who wouldn't like to be the newspaper man? The only compensation is the reflection that any one who could make a less failure out of it would have to have a personality that would make "Dr. Jeckyl and Mr. Hyde" look like a piker.

Judge and Mrs. Ed de Montel received a telegram last Sunday from Captain and Mrs. Carl B. Schilling announcing their safe arrival at San Francisco on their return from a three years service in the Philippine Islands. They were not advised as to whether they would come to Hondo direct from San Francisco by rail or by way of the Panama Canal and New York.

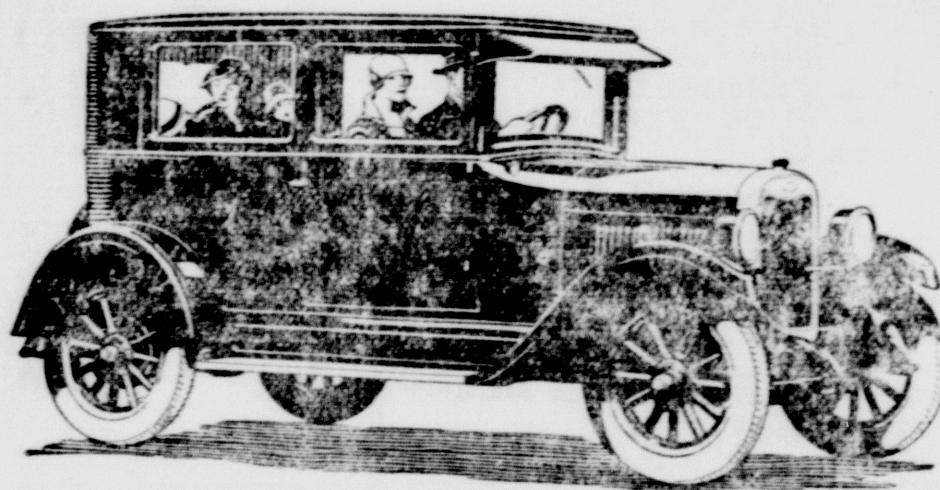

Judge L. J. Brucks, who is attending District Court at Uvalde this week, was selected by the bar to preside over the court in the absence of Judge R. H. Burley who is reported to be seriously ill. The friends of the Judge all over the district wish him a speedy restoration to health.

There will be a called meeting of Hondo Chapter Royal Arch Masons at the hall next Monday night when the degree work that was postponed from last Tuesday night will be taken up. All members are urged to be present.

Only a few people turned out to the mass meeting at the Chamber of Commerce called for last Tuesday night. As a consequence, the matter of an excursion to the oil fields was left open to await further developments.

To-day is school trustee election day all over the county, including the independent districts. Locally we have heard of no interest being taken in the result and no notice of the same was ever furnished the local paper.

Mrs. W. H. Windrow, accompanied by Mr. Windrow, Dr. H. J. Meyer and several others of her family went to San Antonio Saturday, where she underwent a serious operation. She passed through the ordeal successfully and at last report was progressing favorably toward recovery.

Miss Emma Biediger, the popular linotype operator on the La Coste Ledger, was a visitor to friends here Thursday. Miss Biediger has resigned from her job on the Ledger and will go to San Antonio to enter Draughon's Business College Monday for a combined course in business and shorthand.

Rev. Atticus Webb delivered his lecture on the "Unfinished Task" at the Baptist church Tuesday night. The Anvil Herald was unable to "cover" the event, in newspaper reportorial parlance, and hence can give no report thereon. It is safe to say, however, no matter how complete the Doctor's lecture, he didn't "finish" the task—yet!

Judge A. M. Lamm held an inquest over the body of Pancho Via, a Mexican, who was killed some time Thursday night by being run over by a train near the Seco Switch west of D'Hanis. The body was first discovered by the Section Foreman about seven o'clock Friday morning. Just how or at what hour the tragedy occurred is not known. Neither is it known where the man came from or was going. The body was badly mangled and death must have been instantaneous.

## ELECTION FOR COUNTY DISTRICT SCHOOL TRUSTEES

The State of Texas  
County of Medina )  
To All Whom This May Notice is hereby given that an election will be held on election day, the 3rd day of April, 1926, in each and every precinct, at the school house in compliance with an order of the County Judge of this County. The polls in said district opened at 8 o'clock A. M. and at 6 o'clock P. M. on said day for the purpose of electing School Trustees for said County.

One County Trustee for Precinct No. 1, formerly held by I. Wilson, whose term of office expires, to be voted for by the qualified voters of Commissioner Precinct No. 1.

One County Trustee for Precinct No. 2, formerly held by H. F. W. whose term of office expires, to be voted for by the qualified voters of County Commissioners' Precinct No. 2.

One County Trustee for Precinct No. 3, formerly held by Albert I. whose term of office expires, to be voted for by the qualified voters of County Commissioners' Precinct No. 3.

The various common school districts of each precinct have been appointed for the holding of said election, and they shall make and make due return as made and provided by law.

Notice is also given that an election will be held throughout Medina County in each common school district for the purpose of electing common school trustees to fill places now held by trustees whose terms of office expire, and fill vacancies.

Given under my hand and of office, at Hondo, Texas, this first day of March, A. D. 1926.  
R. J. NOON,  
County Judge, Medina Co., Texas.

## AN OLD PIONEER PASSES

Another of the few remaining pioneer women of the Castroville district passed when Mrs. Catharine Kreisle, beloved mother of her late husband, died at the home of her daughter, Mrs. J. H. Kreisle, 123 North Calaveras Street, San Antonio, Saturday, March 27, 1926, at 3 o'clock P. M.

Deceased was a native of Austria but had resided in this country for 60 years, the last ten or fifteen years having been spent in San Antonio after having moved there from Castroville. She was 97 years of age, and besides her son is survived by 16 grand children and eight great-grandchildren.

Funeral services were conducted on Sunday afternoon at 4:30 o'clock P. M. at the residence of her son, with services at the Sacred Heart Catholic Church, Father J. Jacobi officiating. Interment was made in San Fernando Cemetery, No. 2, under the direction of Riebe Undertaking Company.

## CARD OF THANKS.

We take this means of expressing our heartfelt thanks to those of our neighbors who responded so promptly to our call for help, and especially to the Volunteer Fire Co., on the occasion of the fire at our home Tuesday afternoon. It is due to your help that the flames were extinguished before we suffered any serious loss.

## New Way to Stop Night Coughing

Simple Method Brings Quick Relief

For almost instant relief from hack- ing, irritating, sleep-robbing night coughing there is a very simple treat- ment which, often with a single dose, stops all irritation and permits sound sleep the whole night through.

This treatment is based on the pre- scription known as Dr. King's New Discovery for Coughs. You simply take one teaspoonful at bed-time and hold it in the throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly removes the phlegm and con- gestion which are the real cause of night coughing. People who have not slept well for nights are often surprised how quickly this simple method checks coughing and banishes the entire cough condition completely.

Dr. King's New Discovery is for coughs, chest colds, sore throat, hoarse- ness, bronchitis, spasmodic croup, etc. Fine for children as well as grown- ups—no harmful drugs. Economical, too, as the dose is only one teaspoon- ful. At all good druggists. Ask for

## DEVINE NEWSLETS.

From the Devine News.

### SEVERAL HURT IN AUTO WRECK SUNDAY NIGHT.

In a three car automobile wreck on the south end of town, Sunday night, at 9 o'clock, Eugene Bohl sustained a broken leg, Mrs. Robert Hattox a broken arm, and several others were bruised and slightly injured. According to reports of these in the cars, and eyewitnesses, who were at the Williams Garage, in front where the wreck occurred, there were two Ford touring cars, both with tops down, going north at a moderate gait; and Robert Hattox and family in an old model, large Chevrolet, going south. Three boys from San Antonio, whose names we have not learned, and three Devine girls, were in the Ford driving slowly in front, when Postmaster Arnold Bendele and Eugene Bohl came up, and turned to the left to go around the San Antonio Ford. Hattox says he had his two right wheels off the asphalted part of the highway, and Bendele said he thought Hattox was going to the garage. The Bendele car and the Hattox car locked, and the Bendele car, being the lighter, was turned completely around, facing south, and smashing up the San Antonio Ford pretty badly. All three of the cars were injured in front and left front wheels broken, hoods smashed, windshields broken, etc. In all, there were twelve people in the wreck, and only because none were going very fast, it was not more serious. Eugene Bohl was just getting out from a broken leg, with which he lay in the Santa Rosa for several weeks last fall, and Mrs. Hattox had a limb broken in a car wreck on Armistice day, when she was a school girl. Gene was taken at midnight, by his father and Dr. Woods, on a Santa Rosa ambulance to the hospital again. The impact and explosion of the tires and the screams of women were heard all over town and hundreds of people went to the scene of the wreck, as the churches were just dismissing the evening services when the wreck occurred. Bohl's leg was broken several inches above the knee where the old wound was. Mrs. Hattox's right arm was fractured, but not broken into. All occupants of the San Antonio car escaped without injuries reported.

### MRS. ELIZABETH BURGIN.

Mrs. Christine Elizabeth Burgin, age 77 years, a native of Pike County, Ala., widow of the late J. E. Burgin, died at the home of her daughter, Mrs. J. M. Bandy of Yancey, Tuesday night, March 16, 1926. She is survived by five sons, J. D., J. E. and W. H., of Luling, J. H. of Yancey and Parker of San Antonio; two daughters, Mrs. H. S. Ball of San Antonio and Mrs. J. M. Bandy of Yancey. The family came from Alabama to Wood County, and about 1883 to Medina County, and have lived not far from the place of her death for more than thirty years. She was a faithful member of the Primitive Baptist Church, one son and son-in-law being ministers of that church; a loving wife and a good mother, kind and affectionate in her nature. The husband and one son, Horace, who grew to manhood, preceded her in death. The funeral was conducted at the new cemetery at Yancey, a long procession of automobiles carrying friends and relatives following from the home; services were conducted by Editor W. L. DuBose, of Devine. Her body was placed to rest beside that of her late husband.

### FROM YANCEY.

Mrs. Jake Tullock is here visiting her parents, Mr. and Mrs. J. C. Newton.

Miss Lizzie Oefinger was here visiting home folks Sunday before last.

Mrs. J. E. Burgin Sr. quietly passed away at the home of her daughter, Mrs. J. M. Bandy, Tuesday night. Her remains were entered in the community cemetery Wednesday, Editor W. L. DuBose officiating. Born, to Mr. and Mrs. Charlie Ward, a girl, Sunday, March 21.

Mr. and Mrs. H. S. Ball attended the funeral of her mother here Wednesday.

Mr. Parker Burgin and family were here Wednesday.

## OIL HELPING HONDO, SAYS FORD DEALER.

"We have an oil town out our way," says R. A. Carter of Carter & Bader, Ford dealers at Hondo, who was a recent visitor at the Southern Equipment Company.

"The Johnson field, which has producing wells at a depth of 360 feet, is within four and a half miles of town, and the Ina field, which has producing wells at a depth of 970 feet, is but a little over 10 miles from Hondo, and everyone is going after oil," he said. "Youngsters all over town are putting up mania-ture derricks in their backyards and some of them have dug as deep as 10 to 15 feet. The oil produced in these two fields is a fine quality of low gravity oil, running 57 per cent lubricating characteristics.

"This activity is a big thing for Hondo and the surrounding country, although even without that our agricultural prospects are more encouraging this year than they have ever been and there is also considerable cattle activity out our way. As is generally known, the cattle situation is coming back in good shape and the Hondo territory seems to be on the map with a vengeance.—Sunday's Express.

## THE COUNTY MEET.

We had a well contested county meet, Hondo winning first place by a narrow margin. Hondo won more points in literary events which gave a good lead in the county meet, ending 81 points in the division.

Hondo won first place in Tennis, and Doubles, and also Boys' baseball.

Hondo and Yancey were the contestants in the Class B Schools. Depts. in Class A. The total points by Hondo being 148 and Yancey 144.5, this gave Hondo the victory by a margin of 3 1/2 points.

The meet was friendly in every way, there being no quarrels or disputes. There were one or two disputes but they were amicably settled or will be.

Yancey did her best and served visitors well. They were treated with the best that Yancey had. That was good enough for any one in any place. Yancey was complimented for her excellent school spirit and good set of manners.

The district interscholastic league will be held in Uvalde April 17th. All should go to Uvalde meet and help Medina win the district meet. There Yancey and Hondo and other county schools will work hard and root for the contest. Help us win the District Meet.

## QUIHI NOTES.

Last Sunday night the Quihi Lutheran League rendered a very fine and interesting program of musical, literary and oratorical selections in Bethlehem Lutheran church to a large and appreciative audience. Mrs. Henry Schuehle presided at the organ and greatly assisted in the rendition of the splendid selections of the church choir. All other numbers were rendered well and were interesting and elevating. Professor Schweers Saathoff rounded the program out with a very timely and profitable address. Immediately after the program the League held a very interesting meeting.

Sunday morning Easter services will be held in Bethlehem Lutheran church of Quihi. The service will be beautified by several new Easter selections by the church choir. All are cordially welcome.

Sunday afternoon at 2 o'clock Easterday service will be held in the New Fountain Lutheran church. The Holy Communion will be celebrated. All who wish to receive the sacrament are kindly requested to announce themselves to the pastor. All are welcome to this and all services in this church.

The Quihi Ladies' Aid Society will hold its bi-monthly meeting next Thursday, April 8th, in the old Lutheran church at Quihi. The hostesses of the day will be Mesdames Luebbe Boehle, Matthias Saathoff and Alfred Boehle.

## SOPHIAN CLUB.

At the March 31st meeting of the Sophian Club Wednesday afternoon the reading of the creed and secretary's report was followed by a report of the Board of Directors. These had appointed Mrs. H. E. Haass chairman of the Social Committee with Mrs. Elmer Lienweber and Mrs. Will Muennink.

The corresponding Secretary reported a letter from the Vice-President of our State Federation, notifying the Club that Federation fees would be 50 cents per capita.

In the program following the business meeting, Miss Fawcett's discussion of the "Threefold Setting" was interesting and informing. Miss Finch followed in a well written paper on "Means of Setting" and Mrs. W. H. Smith then read an original and clever article on "Dialect as a Means of Setting." Miss Schroeder's paper on "Descriptions and Names" was equally as good as those who presided her, and Miss Brucks concluded the program with an original story by Olga Rothe, a member of Miss Shepherd's class.

## FOR LOVE IS A GYPSY GAY.

By Mary Octavia Davis, Hondo.

Airy, fairy, elfin child,  
Sweetened breath and dance so wild,  
In a cottage small  
Or mansion tall,  
She wanders the livelong day.  
(For love is a gypsy gay.)

Skimming o'er the barrier,  
Laughing now the merrier,  
Paying no heed  
To law or creed,  
She finds for all some sure way.  
(For love is a gypsy gay.)

Whoso'er begs a lover  
Or a girl just like mother,  
With a laugh and jest  
The gay request  
She grants like a fairy fay.  
(For love is a gypsy gay.)

## When You Trade Your Car—

Ford owners are continually being approached by automobile salesmen who wish to "accept" Fords as part payment on more expensive cars.

It is logical that automobile dealers should be eager to trade with Ford owners. No other used car is so easy to sell as a used Ford—because everyone has confidence in Ford quality. And it is not expensive to recondition, since Ford replacement parts are lowest in price.

Most automobiles carry greater discounts to dealers than the Ford—another reason why other dealers may offer the Ford owner a larger trade-in allowance.

But, bear these facts in mind:

The amount of the trade-in allowance you can get is not the most important thing for you to consider. The big thing is the difference you have to pay. And remember, that the higher priced car will not be so easy to dispose of when you come to trade it in.

If you wish to trade your Ford for a new automobile, stick to the car that you know to be dependable, useful and economical. Go to your Ford dealer!

He will give you a fair and liberal allowance for your present Ford and will gladly arrange payment of the balance to suit your convenience.

## START EDWARDS LIME TEST IN MEDINA COUNTY.

Alamo Drilling & Leasing Company (Stover and May) are building a derrick and moving in a rig on the north 40 acres of the John Haerberle survey in Medina County the location for the well being about one and one half miles west of Noonan. The well is to be about 900 feet west of the east line of the John Haerberle survey No. 66 and 150 feet north of the south line of the 40-acre tract.

The contract was closed last week by Judge J. S. Wheelless and Miss Katherine Ryan with the Alamo drilling and Leasing Company and the test will be an Edwards limetest. Judge Wheelless first became interested in the oil possibilities of the territory some years ago and drilled three shallow wells on the Jose de la Roche survey No. 908. The Alamo Drilling and Leasing Company test is located a quarter of a mile west of those three shallow tests, and it will be drilled to the Edwards lime.

The Judge Wheelless tests are on the Christilles tract and one of them got the top of the Austin chalk at 1,170 feet. A two barrel well was completed in one of them at 575 feet in the Navarro formation and a 3-barrel well at 938 feet in another.

A bulletin issued in 1918 by the University of Texas of Medina county and prepared by R. A. Liddle is a valuable asset in the library of oil men operating or planning to operate in Medina county. Several of the structures have been mapped out in the report.—Sunday's Express.

## CASING IN MEDINA COUNTY GAS WELL IS SET IN CEMENT.

Fifty sacks of cement have been used in cementing the casing in the Henderson & Holden gas well in Medina County and the valve of the well will be closed about Tuesday. When the well came in two weeks ago at 903 feet making a lot of gas a valve was placed on the 8-inch casing and closed, but the gas escaped in between the 8-inch and 10-inch. A Braden head was put on and the gas escaped behind the 10-inch.

Neither the 8-inch or 10-inch was cemented. Friday 50 sacks of cement was pumped in between the 8 inch and 10-inch and returns were had on the outside of the 10-inch. It is believed the casing is cemented so that it will hold all the pressure it will be required to stand and S. W. Blount Jr., oil and gas supervisor for the San Antonio territory, believes the valves can be closed Tuesday and the well put under control. The owners will then be able to go back into the hole with tools and set casing to protect the open hole from 485 down to 903. The amount of 10-inch in the hole is 290 feet. Medina County for some weeks has been picking up steadily in interest, and every week sees more tests drilling. Several new tests have been announced the past week, and more are about to start. The Henderson & Holden gas well, which gauged 9,882,000 cubic feet after it had been running wild for several days has attracted a great deal of attention to the oil producing possibilities of that part of the county.—Sunday's Express.

## MEDINA COUNTY HAS THREE TESTS SETTING ON SAND.

Three tests will be ready to drill in Medina county within less than a week. Ina Oil Company has set casing at 848 in the No. 2 Viola Wilson, a mile west of the discovery well of the Ina field and 600 feet north of the No. 1 Viola Wilson and a core from the well brought to San Antonio Wednesday by Mr. F. A. Brown showed one of the best sands thus far found in Medina county. It showed a heavy saturation of oil and looks like a good well.

Gibson Oil Corporation has set casing in its No. 4 Viola Wilson and Arnett Oil Company has set casing in its No. 3 Nixon. The No. 3 Nixon is 300 feet west of the No. 1 and it set casing at 837 feet. A core from the Nixon No. 3 looks good also but it had not gone as deep into the pay sand as the Ina's well on the Viola Wilson. The No. 1 Nixon depth is 914 feet. Mr. Arnett is looking for an especially good well in the No. 3.

Both the Nixon No. 3 and the Arnett Oil Company and the Viola Wilson No. 4 of the Gibson Oil Corporation should be ready to drill in by about Friday or Saturday. The Ina will drill in its well on Monday. All three are practically sure to be producers since they are offsetting producers.—Thursday's Express.

## DEVINE NEWSLETS.

### From The Devine News. MELTON STARTS BIG CITRUS ORCHARD HERE.

One of the most important announcements of the week is to the effect that a car load of citrus trees from Florida will arrive this week, 3,500 trees, to be planted on the Melton Irrigated Farms, at Meadowood, on the highway three miles north of Devine. Mr. Melton expects later to build himself a palatial home on the newly purchased property, and expects to demonstrate in citrus and other fruits on this beautiful property, reaching from Long Hollow to the Chicon, near Natalia.

Mr. Melton says he has been studying the citrus fruit business in California, in the Rio Grande Valley, and through the lower "Winter Garden" section, and has compared trees seen with those about Devine, San Antonio and Lytle in this section and believes citrus fruit can be grown here, with the same protection, with wind brakes, smudge pots, etc., as in those places, and that the fruit grown upon the northern limits of the citrus belt are generally the best flavored of all. He calls attention to the fact that fruit from this section had taken the first prizes at Harlingen Mid Winter Fair for the past two years and he will succeed here, if they do in the same temperature. Mr. Melton is now operating from Lytle to Carrizo Springs, and intends to find out why San Antonio papers are not right, when they speak of him and his work as a part of "Winter Garden" district. He is giving the "Winter Garden" district a lot of advertising, and if the fellows further south persist in trying to monopolize the term "Winter Garden" he will have a "Winter Garden" of his own, at the head of the procession. We think they would do well to get Clyde into their playhouse.

### KELLER GETS \$500.00.

C. N. Tilley, State manager of the Heralds of Liberty, or Liberty Life, was here Saturday and presented a check for \$500.00 to M. A. Keller. Mr. Tilley said several others were paid off recently, one on the life of Adam Howard and another on a certificate held for Mann Harr, of Dilley.

### START BUDDING 500,000 PECANS HERE THIS WEEK.

C. H. Melton, the "Plant King", has started an experienced horticulturist with several helpers this week, to budding 50,000 young pecan trees now growing on his farm west from town. He will use the very best paper shell buds obtainable and will have his trees ready for transplanting by next winter. This alone would mean a nice fortune to the average man, but is only a little side line for "King Klide." He is unloading a car of orange, lemon and grape fruit trees this week for his Meadowood farms. Men are now staking off and digging holes on fifty acres.

### FROM YANCEY.

The County Meet was held on the school campus Friday and Saturday. The first places won by Yancey were:

Girls debate, Senior, boys javalin, discus, shot put, one half mile run, 100 yard dash, high hurdles, high ball, mile relay, 400 yard dash, 220 yard dash, and 440 yard run. The meet was a success and everyone seemed to enjoy both days immensely.

## AMENDING RULES AND REGULATIONS OF THE LIVE STOCK SANITARY COMMISSION OF TEXAS.

Section 1, Chapter 5, Paragraph 8. WHEREAS, the Live Stock Commission of Texas has, upon proper inspection, determined that hog cholera is prevalent to a greater or lesser extent in numerous counties within this State; and

WHEREAS, the said hog cholera being a contagious, infectious and communicable disease, is a serious menace to the swine breeding industry of Texas;

NOW THEREFORE, the Live Stock Sanitary Commission of Texas, for the protection of the uninfected and unexposed premises in counties of this State, do hereby promulgate the following rule and regulations which shall henceforth govern the movement of hogs within the State of Texas:

1. Hogs for immediate slaughter, when consigned to any of the slaughtering establishments listed below, may move without restriction provided a notation is made upon the waybill that said hogs are for immediate slaughter only:

Armour & Company, Fort Worth, Texas.

Swift & Company, Fort Worth, Texas.

Fort Worth Packing Co., Fort Worth, Texas.

Taft Packing Co., Taft, Texas.

2. Hogs may move to the public stock yards of Fort Worth, San Antonio, or El Paso for immediate slaughter or other purposes without restriction when consigned to either of the above named stock yards and must not be diverted enroute.

3. Hogs moving from one county in Texas to another county in Texas, when not consigned to any of the above named slaughtering establishments for immediate slaughter or above stock yards, must be accompanied by a health certificate of a licensed veterinarian of the State of Texas certifying that said hogs have been given hog cholera serum and virus (Simultaneous Vaccination) except that registered breeding hogs may move upon certificate that said hogs have been given the Serum Alone treatment not longer than 10 days prior to shipment, and provided further all such hogs shall be certified as having been dipped or sprayed in a two per cent solution of cresol compound U. S. P. immediately prior to loading into vehicle of conveyance.

The above regulation is hereby adopted by the Live Stock Sanitary Commission and transmitted to the Governor of the State of Texas with request that she proclaim same to be in effect on and after the 12th day of March, A. D. 1926.

WITNESS OUR HANDS at Fort Worth, Texas, this 10th day of March, A. D. 1926.

LIVE STOCK SANITARY COMMISSION OF TEXAS.

By Lea Callan Caesar Kleberg E. F. Jarrell Commissioners.

WHEREFORE, by virtue of authority vested in me as Governor of the State of Texas, I, Miriam A. Ferguson, Governor of the State of Texas, do hereby proclaim the foregoing order of the Live Stock Sanitary Commission to be in effect on and after the 12th day of March, A. D. 1926.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the State of Texas to be affixed at Austin, Texas, this 13th day of March, A. D. 1926.

Jennie was an excellent domestic help and Mrs. Wanderfarr never wished for better. But in the matter of pictures, Jennie was weak. There was one in particular, which showed the leaning Tower of Pisa. Every day Mrs. Wanderfarr hung it straight, and every morning Jennie put it crooked. So Mrs. Wanderfarr watched.

"Now, look here, Jennie," she said one morning, "you've hung that picture of the tower crooked again. Just look at it!"

## Billious dull feeling

"My old stand-by is Thedford's Black-Draught—I have used it off and on for about 20 years," says Mr. W. S. Reynolds, of R. F. D. 2, Arcadia, La.

"I get billious and have a bad taste in my mouth. My head feels dull. I don't just feel like getting around and doing my work. I know it isn't laziness, but billiousness."

"So I take a few doses of Black-Draught and when it acts well, I get up feeling like new—'full of pep' and ready for any kind of work."

"I can certainly recommend it." In case of billiousness and other disagreeable conditions due to an inactive liver, Black-Draught helps to drive the poisonous impurities out of the system and tends to leave the organs in a state of normal, healthy activity.

Black-Draught is made entirely of pure medicinal roots and herbs and contains no dangerous or harmful mineral drugs. It can be safely taken by everyone.

Sold everywhere. Price 25c.
